RECITALS

WHEREAS, the Sellers are engaged in the acquisition of agricultural products from growers located throughout the Pacific Northwest and the processing, repacking and sale of food products at the Quincy Plant (*defined below*) (as conducted by Sellers prior to the Closing Date, the “**Business**”);

WHEREAS, Sellers are debtors and debtors-in-possession voluntary cases under chapter 11 of title 11 of the United States Code (the “**Bankruptcy Code**”), in the United States Bankruptcy Court, District of Oregon (the “**Bankruptcy Court**”) in cases jointly administered under lead case No. 19-62584-pcm11 (the “**Bankruptcy Case**”);

WHEREAS, the Sellers wish to sell and assign to Buyer, and Buyer wishes to purchase and assume from the Sellers, certain specified assets owned by the Sellers, and assume certain liabilities of the Sellers relating to the Business, in each case as more specifically provided herein and upon the terms and subject to the conditions hereof, pursuant to a Sale Order and Sections 101(a), 363 and 365 of the Bankruptcy Code;

WHEREAS, the transactions contemplated by this Agreement are, as more specifically provided herein, subject to the approval by the Bankruptcy Court of this Agreement and will only be consummated pursuant to the Sale Order entered in the Bankruptcy Case;

WHEREAS, a portion of the Purchase Price payable by Buyer to Sellers shall be placed in escrow by Buyer to secure certain obligations of the Sellers, the release of which shall be contingent upon certain events and conditions, all as set forth in this Agreement and the Escrow Agreement; and

WHEREAS, in connection with the sale of assets hereunder, Buyer will grant to Sellers a limited license to use certain intellectual property assets that are being sold to Buyer under this Agreement, for the express purpose of selling off the Finished Goods which will be retained by Sellers after the Closing.

NOW, THEREFORE, in consideration of the mutual covenants and agreements hereinafter set forth and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

ARTICLE I DEFINITIONS

Section 1.01 Definitions. Capitalized terms used herein have the meanings set forth in this Agreement or Schedule 1.01 hereto.

ARTICLE II PURCHASE AND SALE

Section 2.01 Purchase and Sale of Assets. Subject to the terms and conditions set forth herein, at the Closing, Sellers shall sell, assign, transfer, convey and deliver to Buyer, and Buyer shall purchase from Sellers, free and clear of any Encumbrances to the maximum extent permitted by Section 363(f) of

the Bankruptcy Code (other than Permitted Encumbrances), all of Sellers' right, title and interest in, to and under the following assets (collectively, the "**Purchased Assets**") and no other assets of the Sellers:

(a) the real property assets located in Quincy, Washington as more fully described on Schedule 2.01(a) (the "**Quincy Plant**"), and the following assets associated with operation of the Quincy Plant (collectively, the "**Quincy Assets**"):

(i) all tangible personal property, including all furniture, fixtures, equipment, parts, machinery, tools, vehicles, inventory, materials, office equipment, supplies, computers, telephones owned by Quincy Foods, including but not limited to, those assets set forth on Schedule 2.01(a)(i) (the "**Quincy Personal Property**");

(ii) all intangible property and assets owned by Quincy Foods, including those set forth on Schedule 2.01(a)(ii);

(iii) all Permits, including Environmental Permits, which are held by a Quincy Foods and required for ownership and use of the Purchased Assets, including, without limitation, those set forth on Schedule 2.01(a)(iii) (the "**Assigned Permits**");

(iv) copies of all books and records pertaining to the Quincy Assets, including, but not limited to, books of account, ledgers and general, financial and accounting records, machinery and equipment maintenance files, PSM program documents and mechanical integrity documents, customer lists, customer purchasing histories, price lists, distribution lists, supplier lists, production data, quality control records and procedures, customer complaints and inquiry files, research and development files, records and data (including all correspondence with any Governmental Authority), sales material and records (including pricing history, total sales, terms and conditions of sale, sales and pricing policies and practices), strategic plans, internal financial statements, marketing and promotional surveys, material and research and files relating solely to the Purchased Assets ("**Quincy Books and Records**"); *provided, however*, that the Quincy Books and Records do not include any of the Attorney Records.

(b) The following additional assets:

(i) the Contracts set forth on Schedule 2.01(b)(i) (the "**Assigned Contracts**");

(ii) all Intellectual Property rights, including those set forth on Schedule 2.01(b)(ii) (the "**Intellectual Property Assets**");

(iii) all of Sellers' Inventory;

(iv) the machinery and equipment, including all harvesting equipment used in the Columbia Basin, wherever located, listed on Schedule 2.01(b)(v);

(v) all of Sellers' rights under warranties, indemnities and all similar rights against third parties to the extent related to any Purchased Assets; and

(vi) all of Sellers' rights and entitlements related to Sellers' customers and suppliers and the economic benefit of the relationship with same other than accounts

receivable as of Closing (“**Sellers’ Book of Business**”), except as expressly permitted under Section 2.11.

Section 2.02 Assumed Liabilities. Subject to the terms and conditions set forth herein, (a) Seller agrees to pay all Cure Costs associated with the three Lineage Assigned Contracts listed on Schedule 2.01(b)(i), and (b) Buyer agrees to (i) pay the Cure Costs, and (ii) assume, pay, perform and discharge all other obligations and Liabilities of Sellers under the other Assigned Contracts set forth on Schedule 2.01(b)(i) (collectively, the “**Assumed Liabilities**”), and no other Liabilities of Sellers. Without limitation of the foregoing, it is expressly agreed that Buyer shall not assume any Liabilities associated with employees of Sellers or the Business, including those relating to or resulting from, any single or multi-employer pension plan of any Seller.

Section 2.03 Excluded Assets. Notwithstanding anything to the contrary contained in this Agreement, Buyer is not acquiring any of Sellers’ assets other than the Purchased Assets (collectively, the “**Excluded Assets**”). The Excluded Assets are specifically excluded from the sale contemplated by this Agreement and include, without limitation, accounts receivable and Finished Goods.

Section 2.04 Purchase Price. The aggregate purchase price for the Purchased Assets due at Closing shall be an amount equal to (i) Twenty One Million Five Hundred Thousand Dollars (\$21,500,000), *plus* (ii) the Estimated Inventory Value (the “**Purchase Price**”). The Purchase Price shall be paid to Sellers (the “**Purchase Price Payment**”) and otherwise as set forth in Section 2.05.

Section 2.05 Payment of Purchase Price.

(a) Within one (1) business day of execution of this Agreement, Buyer shall deposit Five Million Dollars (\$5,000,000) in an account designated by Sellers to be held by Sellers as earnest money (the “**Earnest Deposit**”) which shall be applied at Closing to the Closing Purchase Price Payment; for the avoidance of doubt, the Earnest Deposit shall be immediately returned to Buyer upon valid termination of this Agreement by Buyer in accordance with Article VIII hereof.

(b) The amount paid by Buyer to Sellers at Closing (the “**Closing Purchase Price Payment**”) shall equal (i) the Purchase Price, *minus* (ii) the True-up Escrow Amount, *minus* (iii) the Earnest Deposit which shall be deemed released to Sellers immediately upon Closing.

(c) No later than five (5) days before Closing, Sellers shall deliver to Buyer a spreadsheet setting forth the Estimated Inventory Value, and its good faith calculation of the Closing Purchase Price Payment, in a form reasonably satisfactory to Buyer (the “**Closing Flow of Funds**”).

(d) During the forty-five (45) days after the Closing Date (the “**Adjustment Period**”), Sellers and Buyer shall work together to reconcile the Estimated Inventory Value with the actual Inventory Value, as of the Closing Date (the “**Purchase Price Adjustment**”) and at the end of the Adjustment Period, Sellers shall deliver to Buyer their good faith calculation of the Purchase Price Adjustment and the resulting final Purchase Price (the “**Final Purchase Price**”), in form substantially similar to the Closing Flow of Funds (the “**Final Flow of Funds**”).

(e) No later than fifteen (15) days after delivery of the proposed Final Flow of Funds, Buyer will give notice that it either accepts or rejects the Purchase Price Adjustment set forth in the Final Flow of Funds. If Buyer accepts the Purchase Price Adjustment, or if Buyer fails to give notice to Sellers of any objection within fifteen (15) days after delivery of the proposed Final Flow of Funds, the Final Purchase Price set forth in the Final Flow of Funds shall be the final and binding

calculation of the Final Purchase Price and no further amounts will be due to either Buyer or Sellers pursuant to this Section 2.05. If Buyer gives notice to Sellers of an objection to Purchase Price Adjustment within fifteen (15) days after delivery of the proposed Final Flow of Funds, Sellers and Buyer shall attempt in good faith to resolve their differences. If Sellers and Buyer are able to resolve their differences, the Final Purchase Price set forth in the Final Flow of Funds, as modified to reflect the resolution of the differences between Sellers and Buyer, shall be the final and binding calculation of the Final Purchase Price. If, however, Sellers and Buyer are unable to resolve their differences, Sellers and Buyer shall submit any disputed items to final and binding arbitration in Seattle, Washington by a mutually agreed upon single arbitrator with experience related to food product inventories in Washington. Each party shall submit what it believes would be the accurate Purchase Price Adjustment together with its supporting evidence at a single arbitration hearing. The parties shall use their good faith efforts to complete any such arbitration within thirty (30) days of the request for arbitration. The determination of the Purchase Price Adjustment and Final Purchase Price by the arbitrator shall be final and binding on Sellers and Buyer. The fees and expenses of the arbitrator shall be paid when due 50% by Sellers and 50% by Buyer.

(f) If the Closing Purchase Price Payment is greater than the Final Purchase Price (a “**Purchase Price Shortfall**”), Sellers shall promptly pay the difference as directed by Buyer within three (3) Business Days in the form of a release from the True-up Escrow Fund. If the Closing Purchase Price Payment is less than the Purchase Price Payment, Buyer shall promptly pay the difference as directed by Sellers within three (3) Business Days of the final determination.

Section 2.06 Allocation of Purchase Price. Sellers and Buyer agree that the Final Purchase Price and the Assumed Liabilities (plus other relevant items) shall be allocated among the Purchased Assets in accordance with Code Section 1060 and applicable Treasury Regulations as shown on the allocation schedule (the “**Allocation Schedule**”). A draft of the Allocation Schedule shall be prepared by Buyer and delivered to Sellers within sixty (60) days following the Closing Date. If Sellers notify Buyer in writing that Sellers object to one or more items reflected in the Allocation Schedule, Sellers and Buyer shall negotiate in good faith to resolve such dispute; *provided, however*, that if Sellers and Buyer are unable to resolve any dispute with respect to the Allocation Schedule within ninety (90) days following the Closing Date, such dispute shall be resolved by the determination of an independent accountant, to be appointed by the parties at such time. The fees and expenses of such accounting firm shall be borne equally by Sellers and Buyer. Buyer and Sellers shall file all Tax Returns (including, but not limited to IRS Form 8594), in a manner consistent with the Allocation Schedule, *provided, however*, that no discrepancy between the Allocation Schedule and any Tax Returns already filed with respect to transfer Taxes described in Section 6.022 shall require the parties to amend such Tax Returns. Neither Buyer nor Sellers shall take any position (whether in audits, Tax Returns or otherwise), that is inconsistent with the Allocation Schedule unless required to do so by applicable Law.

Section 2.07 Closing Costs. With regard to the transfer of the Quincy Plant, Buyer, on the one hand, and Sellers on the other will each pay for one-half of (i) title coordination fees, (ii) real estate escrow fees, and (iii) any title cancellation fees. Sellers will pay title premiums for standard coverage title insurance policy for the Quincy Plant, and Buyer will pay any excess premiums for extended coverage and/or any endorsements that Buyer chooses to obtain, *provided, however*, that Sellers shall pay for any title endorsements reasonably requested by Buyer to affirmatively insure over any title exceptions raised by the title company after reviewing the title surveys.

Section 2.08 Prorations.

(a) The parties agree that the following prorations shall be made and satisfied in accordance with Section 2.08(b) below:

(i) The Sellers will be responsible for all ad valorem Taxes on the Purchased Assets, including real and personal property taxes and assessments, and installments of special assessments relating to the Purchased Assets (collectively "**Property Taxes**"), attributable to periods occurring on or before the Closing Date. Property Taxes attributable to a Tax period beginning before and ending after the Closing Date shall be prorated between Sellers and Buyer. Sellers shall be responsible for the portion of such Property Taxes determined by multiplying the Property Taxes for the entire period by a fraction, the numerator of which is the number of calendar days in the portion of such period ending on the Closing Date, and the denominator of which is the number of calendar days in the entire period. If any Tax authority accelerates the collection of Property Taxes from a post-Closing Tax year to the Tax year in which the Closing occurs, such Taxes shall be considered Taxes due and payable in the Tax year in which the Closing occurs for purposes of this Section 2.08(a)(i). The Buyer shall be responsible for all other Property Taxes attributable to the Purchased Assets.

(ii) Utilities and other services provided at or related to the Quincy Plant shall be prorated between Sellers and Buyer with respect to their ownership of the Quincy Plant before and after the Closing Date. Sellers shall be responsible for payments incurred or relating to any period prior to the Closing Date and Buyer shall be responsible for payments incurred or relating to any period beginning on or after the Closing Date.

(b) Any fees, Liabilities or charges subject to proration under this Section 2.08 shall be paid by Buyer as they become due. In the event statements or bills are sent to a Seller by any Tax authority or Person demanding payment, Sellers shall forward such statements to Buyer. Buyer shall be entitled to recover Sellers' prorated portion of such payments by providing written notice to Sellers or, at its sole discretion, by demanding disbursement from the True-up Escrow Fund.

Section 2.09 Employees.

(a) Sellers shall terminate all Quincy Foods' employees who are employed in connection with the Purchased Assets (the "**Business Employees**") effective no later than the Closing Date.

(b) Buyer has the right to offer employment to any Business Employees whom Buyer determines, in its sole and absolute discretion, to be suitable to the operations of such businesses, on terms to be agreed between Buyer and each Business Employee; provided, however, that in no event shall Buyer have any obligation whatsoever to hire any employee of any Seller. Buyer is not assuming any of Sellers' obligations or liabilities under any collective bargaining agreement, including any liability for any pension or other retiree benefit.

(c) For the avoidance of doubt, Sellers shall be solely responsible and Buyer shall have no obligation whatsoever, for any Liabilities relating to the following: (i) payment of all compensation and wages (including salaries, commissions, and bonuses) and payroll Taxes through the Closing Date, (ii) payment of all benefits, including severance, accrued vacation, pension and profit sharing contributions, seniority rights, and other forms of benefits of any type or nature on account of said employees' or any former employees' employment by any Seller through the Closing Date, (iii) satisfying Sellers' obligations on account of employment or former employment by Seller, including obligations for providing COBRA health plan continuation coverage to former employees and their dependents (whether they are on COBRA health plan continuation coverage on the day before the Closing Date, are employees of a Seller who are not employed by Buyer on the Closing Date or their dependents, or otherwise), (iv) performing any obligations required by

the Fair Labor Standards Act of 1938, the Equal Pay Act, applicable wage and hour laws, or any other applicable laws, (v) giving any required notices under the Warn Act, (vi) all Losses relating to or arising under NORPAC's single employer or multi-employer pension plans (including any withdrawal liability assessed against NORPAC), and (vii) any and all other liabilities and obligations to Sellers' employees, former employees, and their respective dependents and for compliance with all applicable employment laws.

(d) Sellers shall remain solely responsible for the satisfaction of all claims for medical, dental, life insurance, health accident or disability benefits brought by or in respect of current or former employees, officers, directors, independent contractors or consultants of the Business or the spouses, dependents or beneficiaries thereof, which claims are incurred prior to the Closing Date. Sellers also shall remain solely responsible for all worker's compensation claims of any current or former employees, officers, directors, independent contractors or consultants of the Business which are incurred prior to the Closing Date. For purposes of this Agreement, the following claims shall be deemed to be incurred as follows: (i) life, accidental death and dismemberment, short-term disability, and workers' compensation insurance benefits, on the event giving rise to such benefits; (ii) medical, vision, dental, and prescription drug benefits, on the date the applicable services, materials or supplies were provided; and (iii) long-term disability benefits, on the eligibility date determined by the long-term disability insurance carrier for the plan in which the applicable employee participate. Sellers shall pay, or cause to be paid, all such amounts to the appropriate persons as and when due.

Section 2.10 Withholding Tax. Buyer shall be entitled to deduct and withhold from the Purchase Price all Taxes that Buyer may be required to deduct and withhold under any provision of Tax Law with respect to the transactions contemplated by this Agreement. All such withheld and remitted amounts shall be treated as delivered to Sellers hereunder.

Section 2.11 License Back. Effective as of the Closing, Buyer hereby grants to Sellers, an express license to use and reproduce, such of the Intellectual Property Assets as may be required to sell and distribute Finished Goods retained by Sellers as of the Closing (the "**License Back**"), subject to the following limitations: (i) the License Back shall terminate as of February 29, 2020 with no further action or notice required by either party; (ii) Sellers shall have no right to sub-license or assign any of the Intellectual Property Assets; (iii) no ownership rights to the Intellectual Property Assets shall be transferred by virtue of the License Back; (iv) Sellers shall use the Intellectual Property Assets in compliance with applicable Laws and consistent with past practices of the Business; and (v) the Intellectual Property Assets shall only be used in connection with the sale of Finished Goods to customers of Sellers in existence as of the Closing.
